COMPLAINT

Your honor, I come before the court under according to the federal rules of civil procedure seeking the assistance. I accuse the defendants in this case (MSNBC) of copyright infringement. The defendants in this case are in violation of the following copyright laws. 17 U.S.C. § 501 : US Code - Section 501: Infringement of copyright. 17 U.S.C. § 102 : US Code - Section 102: Subject matter of copyright:

In general: I have listed each violation in its entirety. The defendants broadcasted a special on November /11/2011 at 10 pm eastern standard time titled as follows; 'Michael Jackson & The Doctor: A Fatal Friendship'. Your honor I (Everett Watson) the plaintiff in this case state that I have exclusive rights to the subject matter and material that the defendants have projected to the viewing audience. The defendants are in violation of the statues listed below. I have authored the script and movie of Michael Joseph Jackson. I submitted the documents originally on 2/8/2011. I then resubmitted the animated film in 7/2011. It included the animated film, the written script, and lyrics that are to be used in the film. The film is about the death of Michael Joseph Jackson. Unless Michael Jackson is alive; the defendants had no right to produce, promote, broadcast, or specifically broadcast an interview with the defendant for 1 hour after he was convicted of involuntary manslaughter. The title of the documentary itself is about a fatal friendship. Fatal is about death. It includes the Doctor and Michael Jackson. He is telling a story about the death of Michael Jackson from propofol. The movie I have written is called the 'Murder of Michael Jackson the perfect murder'. I have spent 2 years working on this book and movie. I have rights to the subject matter. I sent an earlier version of the script to a law firm in 2/10/2011 where it was in the early stages of development. The firm is MWR legal. The marketing manager is Christopher A. Choate. I went to the law firm because Sony would not take any unsolicited material. I had entered into a partial agreement with the firm to produce and market the film when I was done with the script. I include the email from the marketing director for you to look at. Your honor the defendants (MSNBC) is trying to portray Conrad Murray in a manner that is in direct conflict with the trial results. That is in conflict eith the results of the trial. If the documentary strays from the actual events that led to the death of Michael Jackson and the manner that he died including the culprit. It is not a documentary. It is a work from the mind of the author Conrad Murray. It is a work that he sold to (MSNBC) before the verdict was given. If he wanted to tell the world about the great friendship he had with Michael Jackson. I have no problem with that at all. It is legal. There is no such thing as a fatal friendship that includes the murder you stand convicted of. It is the same story in entirety with a twist that leads to the murder of Michael where Conrad Murray is not guilty and Michael Jackson is guilty of killing himself. The fatal part of the one hour movie is the death of Michael. It is not about a friendship. It is about the death of Michael Jackson. Your honor I have more than 3 hours of script, scenes and footage that I have compiled for this movie. The damage from this one hour segment is harmful and is irreparable. The viewing audience has seen the court case and heard testimony from the doctor. He gave his statement to the police. The statement made by MSNBC is not correct about Conrad Murray not testifying. He gave a long statement to the police department. The documentary is a one hour movie on the murder of Michael Jackson where Conrad Murray tells a story other than what occurred; pertaining to the death of Michael Jackson. A event viewers watched for more than 2 years! A documentary is defined as a historical record of events that occurred. The man is appealing his conviction at this present time. The subject of the documentary is a story where the Doctors tells of a story of a non-existing friendship that exist with him and Michael

Jackson. He has never been seen or photographed with Michael Jackson to support the friendship claim. He goes on to say that as his best friend he agreed to give Michael Jackson propofol at Michael Jackson's home. He states that the investigation was not correct and Michael Jackson was never in any danger when he was given the propofol. He maligns Michael Jackson and states that Michael Jackson kills himself and he is innocent. My script involves the death of Michael Jackson. The c.p.r. attempt. The transporting of Michael Jackson to the hospital! The discovery of the propofol! The quest to find out who gives Michael the propofol! It covers other suspects. It reveals Conrad Murray as a potential suspect without a clear motive then goes on to present a possible motive for the murder. It also lists another possible suspect who could benefit as much as Conrad Murray if he is found not guilty after accusing Michael Jackson of murder! The subject of my script is Michael Jackson's murder. Your Honor, Conrad Murray had no right to sell any story under the guise of a documentary to anyone. That story is copyrighted. There are so many elements in the Work 'Michael and the doctor: A fatal friendship' that are protected from reproduction by anyone without my consent it has to be prevented from further broadcast or I will not be able to profit from my work. The law states plainly that any copyright protected material has to have authorization from the owner before it can be reproduced in any fashion in any manner. The Work was sold to MSNBC. It was not the history of the trial as a true documentary would be. You can compare true documentaries and how the subject parallel record events in history that have already occurred. There are many documentaries available that the court can view to see how it is done. If the court would view the show and read my script and view the trial and the events as they occurred. You will see that the show titled 'Michael and the doctor: A fatal friendship' has all of the elements from my story and does not follow what actually occurred during the trial. It will reveal that the trial is recorded history. The show 'Michael and the doctor: A fatal friendship' was an independent work that Conrad Murray sold to MSNBC to make money; which has the elements that my script has. A script which I have the rights to! There is no question or issue to determine who the main characters are. The main characters are Michael Jackson and Conrad Murray in both stories. Both stories are about the death of Michael Jackson. The manner of death is by propofol in both stories. Both stories have the same theme as to how the propofol was administered. Both stories involve the investigation of the death. Both stories touch on the relationship between the doctor and Michael Jackson. My story was copyrighted 2/8/2011. The documentary was copyrighted later. Even though Conrad Murray is one of the main characters he has no rights since it was a public trial and he was convicted of involuntary manslaughter. He has no right to Michael Jackson either. He violated a relationship with Michael as his doctor. A Doctor patient relationship! He had no right to sell that to MSNBC.

Mr. Watson,

Us District Court

Northern District of Texas

I enjoyed taking a look at your script- I shared it with one of our attorneys and we do think we should be able to help in your current situation.

We would be glad to do a bit of research on prior case law and determine your legal liability in the current situation. We will be able to determine whether your play is safe to sell as it currently is written, or if you should use alternate names, or tweak the character's descriptions/ your accusations in the story, etc.

To get started, we would need to collect a retainer of \$550 to cover up to two hours of attorney time, at our associate rate of \$275/hr. (any retainer that remains unspent will be returned to you at your request)

If this sounds agreeable then I will prepare an engagement agreement for you to sign and we will get started as soon as you are ready.

Don't hesitate to call or email me if you have any questions.

Sincerely,

Austin Choate

The court may require such owner to serve written notice of the action with a copy of the complaint upon any person shown, by the records of the Copyright Office or otherwise, to have or claim an interest in the copyright, and shall require that such notice be served upon any person whose interest is likely to be affected by a decision in the case. The court may require the joinder, and shall permit the intervention, of any person having or claiming an interest in the copyright."

17 U.S.C. § 102 : US Code - Section 102: Subject matter of copyright: In general:

(a) Copyright protection subsists, in accordance with this title, in original works of authorship fixed in any tangible medium of expression, now known or later developed, from which they can be perceived, reproduced, or otherwise communicated, either directly or with the aid of a machine or device. Works of authorship include the following categories:

- (1) literary works;
- (2) musical works, including any accompanying words;
- (3) dramatic works, including any accompanying music;
- (5) pictorial, graphic, and sculptural works;
- (6) motion pictures and other audiovisual works;
- (7) sound recordings; and

## Northern District of Texas

(a) Subject to the provisions of subsections (b) and (c) of this section, the exclusive right to reproduce a copyrighted pictorial, graphic, or sculptural work in copies under section 106 includes the right to reproduce the work in or on any kind of article, whether useful or otherwise.

## *Friedman v. Guetta*

In *Friedman v. Guetta*, Friedman's photograph was originally published in a 1994 book of Friedman's photographs. Guetta claimed that he obtained a copy of the photograph without a copyright notice from the Internet after he came across it by "chance," and that he did not know it had been published in Friedman's book. Guetta made several different works using Friedman's photograph, including: (i) the Stencil Work pictured above; (ii) a work depicting two of the rappers from the photograph combined with an old photo of a couple (the "Old Photo Work"); (iii) a work that was made by "hand-painting a projected altered reproduction of the photograph" on a canvas banner (the "Banner Work"); and (iv) a work that was made by tracing the photograph on wood and gluing 1000 pieces of broken phonographic records onto the wood (the "Broken Records Work"). Guetta sold the original Banner Work and prints of the Old Photo Work and used the images to promote his 2008 exhibition titled *Life is Beautiful*. The Stencil Work and the Broken Records Work were displayed at the exhibition, but were not sold or otherwise used to promote the show. In his May 27th decision, Judge Pregerson rejected Guetta's argument that he did not copy the protectable, or original, elements of the photograph. Guetta had argued that Friedman's depiction of the rap group was common, or *scenes à faire*, and was therefore only entitled to thin copyright protection against near-verbatim copy-

Attorney Advertising

Three federal courts in New York and Los Angeles have recently held that the use of pre-existing photographs by "appropriation" artists did not fall within the "fair use" exception to copyright protection under Section 107 of the federal Copyright Act. The most recent of the three decisions, which has not been widely reported, was issued on May 27, 2011, in a case brought by photographer Glen E. Friedman against Thierry Guetta (a/k/a Mr. Brainwash) for copyright infringement. Judge Dean D. Pregerson of the Central District of California granted summary judgment for Friedman, finding that Guetta's works were substantially similar to Friedman's famous photograph of the rap group Run D.M.C., and that Guetta's use of the photograph was not a fair use. No notice of appeal has yet been filed. Friedman's original photograph and Guetta's work, using a traced stencil of the photograph on canvas (the "Stencil Work"), are pictured below. The relevant legal points made in *Friedman v. Guetta* is not the photo but the copyright of the photo and the elements of the photo were essential to the work. No matter what he did to the work; the photo was the essential element of the work which was copyrighted. That is the same issue in this case. The main elements in 'Michael and the doctor: A fatal friendship' are copyrighted and without those elements (elements that are copyright protected) MSNBC has no story. Your honor, the interview is not an original interview. He was interviewed by the police. He statements made to the police were read in open court. A documentary would be an exact history of the trial.

The documentary has a title.

Us District Court

Northern District of Texas

- 1.) 'Michael Jackson and the doctor: A fatal friendship.' As a documentary it would not have to have a title. It would be called the trial of Conrad Murray.
- 2.) It is advertised as Conrad Murray agrees to testify for the first time. He has already testified. It is about the murder. I have a script and scenes which is on the same subject verbatim. The murder of Michael Jackson.
- 3.) Conrad Murray is still going to trial. He is appealing his conviction. That is not history.
- 4.) Everything he is talking about was not included in the trial. It cannot be classified as a documentary. The documentary called 'Michael Jackson and the doctor A fatal friendship' is actually a work on the murder of Michael Jackson which I have exclusive copyrighted material on the subject.
- 5.) Pau003542030 2/8/2011 is the number of the first submission to the copyright office 2/8/2011. I have another script and animated movie that is at the copyright office which I have not received a certificate for.
- 6.) I started this work the day that Michael Jackson was found dead and it was broadcast on T.V. live.
- 7.) Your honor. Conrad Murray states that he was Michael Jackson friend in the title. A doctor patient relationship is not classified as a friendship. He requested 5 million dollars from Michael Jackson. He bartered his services. That is included in the trial documents. Everything that he is claiming is not a documentary. It is a work which I have exclusive rights to.

Argument and law

As an original work it is a direct infringement on my script and movie titled 'The murder of Michael Jackson the perfect murder'. U17 U.S.C. § 501- Section 501: Infringement of copyright  
*"(b) The legal or beneficial owner of an exclusive right under a copyright is entitled, subject to the requirements of section 411, to institute an action for any infringement of that particular right committed while he or she is the owner of it..S. code . By law I am entitled to bring this suit if a infringement exists on material that I have copyrighted prior to the broadcast of the show on 11/11/2011 at 10:00 pm. According to law. 17 U.S.C. § 102 : US Code - Section 102: Subject matter of copyright: In general:*

(a) Copyright protection subsists, in accordance with this title, in original works of authorship fixed in any tangible medium of expression, now known or later developed, from which they can be perceived, reproduced, or otherwise communicated, either directly or with the aid of a machine or device. Works of authorship include the following categories:

- (2) musical works, including any accompanying words;
- (3) dramatic works, including any accompanying music;
- (5) pictorial, graphic, and sculptural works;
- (6) motion pictures and other audiovisual works;
- (7) sound recordings; and

My works include literary, musical, dramatic, pictorial, graphic, and motion picture material. It is completely on the murder of Michael Jackson and the investigation from the beginning to date.

I have exclusive rights. According to law. 17 U.S.C. § 113 : US Code - Section 113: Scope of exclusive rights in pictorial, graphic, and sculptural works

(a) Subject to the provisions of subsections (b) and (c) of this section, the exclusive right to reproduce a copyrighted pictorial, graphic, or sculptural work in copies under section 106 includes the right to reproduce the work in or on any kind of article,

Us District Court

whether useful or otherwise.

MSNBC Does not nor did I ever give them the right to broadcast that material. Conrad Murray did not have the right to the material even though the trial is about him. It is more about the murder of Michael and who killed Michael Jackson. He was one of many suspects, He accused many people. He is still claiming Michael committed suicide. He has no rights whatsoever in this matter to give MSNBC to produce and broadcast that program as a matter of law. It is not a documentary.

Your honor in Friedman vs. Guetta the court ruled that an altered photograph is still copyrighted material. Guetta lost and Friedman won because it was Friedman photograph. It was used for profit and the fair use rule was not applicable. In this case it is the subject matter which is exclusively about the death of Michael Jackson and has been titled a documentary. I have communicated with lawyers to market the film to Sony. They have read the script. The material that they were issued is less than the material that I have copyrighted. The court is welcome to contact the law firm M.W.R. about the existence of the script. I will also provide a copy to the court to view.

REMEDIY

Your honor I am requesting that you issue a **cease and decess order** to MCNBC. Stop further broadcast of the alleged documentary until further notice! When it has been decided by your honorable court as to the actual owner of the subject matter involved. The owner can proceed with the sale and distribution of the material in question; which is the story of **'the murder of Michael Joseph Jackson'**.

I also request that all proceeds sales, advertising, promotional slots, commercials, future sales, from MSNBC from the date they announced they were going to broadcast the documentary of **"Michael and the doctor a fatal friendship"** be temporarily be set aside. The proceeds from the **'this is it'** movie and all revenue from Michael Jacksons estate has been more than 300 million dollars in 2010. I envisioned making a sizable profit from the film. A portion of the proceeds from the project I am working on is intended to go to building the hospital that Michael Jackson wanted to build; according to the recording of Michael Jackson made by Conrad Murray. I am an Electrical Contractor and a master Electrician. That is not relevant, but the funds needed (to build the hospital) are severely jeopardized by this broadcasting; referring to the documentary broadcasted by the defendants.

Your honor I am bringing this Pro se. I motion the court to allow me additional time to prepare for trial. This request is not affected by any response from the defendants other than a acknowledgment of the copyright infringement.
